REV. HENRY M. SCUDDER

Brief Sketch of This Well Known Christian Gentleman

Anent the celebration June 1st of the fiftieth anniversary of the Rev. Dr. Henry M. Scudder as Pastor of the Presbyterian Church at Elizaville, The Fleming Gazette publishes the following sketch of the life of this well known Christian gentleman—

Rev. Henry Martyn Scudder, D. D., was born at Princeton, N. J., December 11th, 1833. He removed with his parents to Mayville, Ky., in his early boyhood; received the rudiments of education at the old Mayville Seminary, then under the direction of Rand & Richeson.

After the completion of his school course, he spent three years in the office of The Mayville Eagle published by Judge Lewis Collins. During the years of service in the printing office he pursued different branches of study privately and entered the Sophomore class in Center College, Danville, in 1852, and was graduated along with the celebrated class of '55. In the fall of 1855 he entered the Theological Seminary, at Danville, and was licensed to preach the gospel by Ebenezer Presbytery at the close of his second term. He spent his vacation in 1857 in preaching for the Church at Elizaville, and received a call from that Church to settle as Pastor at the completion of his term of study. This call he held until his graduation from the Seminary in 1858, when he was ordained by Presbytery and installed as Pastor of the Presbyterian Church of Elizaville. His fiftieth anniversary, therefore, dates from his first introduction to Elizaville in 1857, not from his installation in 1858. Dr. Scudder received the title of M. A. from Center College in 1855, and that of D. D. from Central University in 1876.

He married Martha J. Darnall of Fleming county, on February 23, 1858.

Since 1870 he has been dividing his time between the Churches of Carlisle and Elizaville. He has been living in Carlisle since 1888, the Church there having provided a comfortable and commodious manse.

A costly smash up, in which five loaded freight cars were derailed, occurred on the C. and O. near Lexington Tuesday, the wreck being caused by a spreading rail or the breaking of a car flange.

Another damage suit for \$50,000 has been filed at Flemingsburg by the Administrator of Harry Thomas, a victim of the C. F. and S. E. wreck a few weeks ago. This makes four suits filed so far, the aggregate damages amounting to \$86,000.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A court function was never more brilliant than the very beautiful reception Mr. and Mrs. William F. Hall tendered their host of friends last night at their sumptuous home on Forest avenue.

The approach to the house was through a grove of blooming oleanders up to a brilliantly lighted entrance, from which streamed the radiant lights to first welcome the guests.

As though to more eagerly extend that hospitality which is inborn and true, Mr. and Mrs. Hall stood near the portals to greet all bidden to cross their threshold.

The home is magnificently adapted for large gatherings, and fortunate it is so, for its en-suite rooms and adjoining alcoves were taxed continually during the hours by a gathering of as handsome a lot of men and as beautiful a array of women as ever came together for social enjoyment.

The toilets were regally beautiful and but accentuated the charm, grace and beauty of our dames and meadames.

The decorations of the house were exquisitely carried out in colors and with that lavishness which characterizes wealth and generosity.

Bailey's Orchestra discoursed music during the evening and a company of girls dispensed delicacies to refresh the guests.

The occasion took on the coloring of a French fete in some grandee's mansion on a boulevard where personages of rank and distinction had congregated to particularly honor the court dignitaries of an adjoining kingdom.

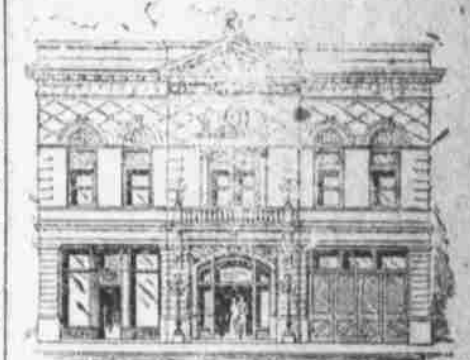

Suffice it to say that among the attractions of the Hall home, love lights the way with an effulgence glory-tinted, and to come within its scope and path one is intoxicated with all her attendant virtues—generosity, true hospitality, graciousness and a friendliness which disarms life of all else beside.

Miss Scottie Worthington, of Hilltop, entertained Tuesday evening in honor of Miss Knight of Cleveland, guest of Miss Pattle Carr of Lincolnton street.

Because of the failure of the Commonwealth representatives to attend Court and the lack of interest shown by the relatives of the late Dr. Cox in the cases, speculation is now rife in Elliott county as to whether the prosecution of the Hargrees and Callahan for alleged conspiracy in the assassination in Breathitt county will be pushed.

SCENES OF WRECK
Haunt the Mind of Judge Halsey, a C. and O. Victim

A special from Milwaukee, Wis., to The Cincinnati Enquirer yesterday said—
"While Judge Halsey, who narrowly escaped death in the wreck on the Chesapeake and Ohio Road at Mayville, Ky., is improving, he is still suffering greatly from the nervous strain to which he has been subjected. He is disturbed as little as possible, except that his family remain in close call of his room constantly. He suffers greatly from nightmare, reciting some of the awful scenes incidental to the wreck. He has high fever at intervals."
